

Hinckley 56, 1982

1982 Hinckley 56

Accommodations:

The boat was built as a custom world cruiser to the Owner's requirements for offshore passages with the option of cruising shorthanded. She has all the amenities and comforts for gracious living aboard while offering excellent sailing performance and has been professionally maintained at all times. Her systems are well laid out and there are multiple back-ups.

The 2 stateroom interior has 8 berths total and includes shower, additional pilot berths in the full-width main salon, complete galley, office/nav station, separate multi-purpose utility and easy engine room access.

The interior is satin varnished cherry wood finished with gloss highlights, a teak and holly cabin sole, excellent head room.

The nav station is fully equipped.

The hull is fiberglass, flag blue and the teak-covered cabin sides and trunk cabin are varnished bright teak. All hatches, handrails, winch bases and dorads have canvas sun covers. There is a full boat awning
